

LOCKER GUIDELINES

- Lockers are available only to currently registered School of Music students. ID is required.

Registration will be verified after the 3rd week of classes. Individuals who are not registered in the School of music will lose their locker privileges.

- One locker per student.

Violation of this rule will result in loss of all locker privileges for the remainder of the academic year.

- Priority will be given to instrumentalists, specifically, brass, string, and woodwind.

Tuba/euphonium students have lockers in storage rooms and will not be assigned a regular locker. Percussion students have access to space in the cage, but may apply for a locker. Requests will be filled on a first-come, first-served basis.

Students who falsify information may lose locker privileges for the remainder of the year.

- Non-instrumental music students may apply for a general-sized locker. Requests will be filled on a first-come, first-served basis.
- Unassigned instrument-designated lockers will be made available for assignment after the third week of classes, on a first-come, first-served basis.
- Music education majors taking secondary instrument classes may petition for a larger locker on a semester-by-semester basis. Proof of enrollment in such classes will be required.
- Continuing students must submit a request by the end of April to retain their locker for the following year. Lockers which have not been renewed will be emptied and contents thrown out.
- Graduating students are expected to clear out of their lockers at the end of April.
